Board of Management

Thankyou for your support for the past year and for the following 12 months. Your Board will work extremely hard as per previous seasons.

Board Management Members for the 2024/25 season are:

President: Richard Murrie. Richard is also the Function Coordinator and you will also find his wife Julia helping at the Club as well.

Vice President: Bernie Curtis. Bernie assists the President and looks after the Maintenance

Vice President: Annette Tolley. Annette Is the Ladies rep and the assistant Secretary.

Secretary: Chris Holding

Treasurer: Ray Bailey

Board Member: Ashley Hann. Ashley helps with any Functions.

Board Member: John Hibbottson. John looks after our Garden.

If you would like to send something out to all our members, we ask that you see me (The Secretary) first. We need to look after our members privacy.

As you are aware the Constitution is in the process of being checked and will be updated as necessary, we will call a Special General meeting when it is finished for you as members to go through it before it is sent into the CBS.

My door is always open you can always contact me through the Club

By the Clubs Email

Clubs Phone i.e. leave a message if no-one answers.

Or

Contact me at home via

My Mobile

The Clubs Gmail account – walkervillebowls@gmail.com

Just letting you know I do not receive the Clubs emails at home so if you need an answer urgently, please contact me at home.

If you have a problem or hear that there is a problem in our Club send the person to me or come and see me yourself.

Unfortunately talking to another person, you may not be given the right answer.

Carol Gowland is our member protection Officer so you can always speak to her with issues between members.

Let's all move forward; we have an exciting couple of years ahead of us with the rebuilding of our Club. The redevelopment of our Club has been on the agenda longer than I have been at this club which is 28 years.

Club Uniforms

We still have some Club Uniform tops available 1 x \$25.00 or 2 x \$45.00. We have no Men's Med or Large shirts left.

Please see me (Chris Holding) if you would like to take up this offer.

Redevelopment

It is looking like our club will be knocked down a bit later than what we were originally told, possibly it could be in August now.

Important: If you have left anything at the Club don't forget to come and get it.

As we are receiving all new furniture in our new club we will be getting rid of our round and rectangle tables and chairs, if you know of anyone that could be interested can you let us know.

Garden

We have had some plants stolen from our garden. We have contacted the Council and they are looking at more lighting and security around the Club.

Website & Facebook

If you haven't joined our new Facebook group, the link is below. This Facebook group will be a great way of interaction between Members of our Club. This is a private Facebook Group for Club Members only.
